

## Welcome to The Boiler Room at Congress Hall.

We are pleased and excited to have you join us in historic Cape May. In the pages to follow, you will find a vast selection of wines from around the world in addition to an expertly-crafted cocktail selection.

Our “by the glass” selection changes in concert with Chef John Zaitoun’s seasonal fare so that together we can highlight ingredients both from our Beach Plum Farm and the bountiful coastal waters that surround us in beautiful Cape May.

The following selections showcase the premiere vineyards from around the world.

As you’ll see, we have a strong passion for the wines of California and western Europe. However, every so often wines from outside of those regions captivate us so much that we feel compelled to showcase them on our list. We hope that you’ll find them as exciting as we do.

On behalf of the Congress Hall team we hope you have a memorable evening. If we can do anything to make your stay more enjoyable, please feel free to let us know. Wine, food, and gracious hospitality are our passion, and we look forward to sharing that with you.

Best Regards,

Billy Scott & The Congress Hall Team

*We are also excited to serve and present any special bottles of wine that you bring in to enjoy with your meal. We ask that you limit corkage to one bottle per couple dining. Please note a \$35 Corkage fee per 750mL bottle.*
