Embark on a journey of love and relaxation with our Romantic Retreat, designed for couples seeking an unforgettable escape. Begin with a soothing Head and Foot ritual in our beautifully appointed Relaxation Room, a serene space perfect for unwinding together. Next, indulge in a Coconut Salt Scrub and a Coconut Milk bath with Rose in a candlelit room with rose petals softly placed, where your skin is gently exfoliated and nourished, followed by the calming embrace of a luxurious Warm candle Massage, using aromatic oils to leave you completely renewed. Conclude this romantic journey with a mocktail and decadent chocolate covered strawberries, the perfect finale to your intimate retreat.
